

Bikes & Buses Together

Sharing the Road and improving the commute for work, school, and leisure!

DDOT introduced the Bikes on Buses (BoB) pilot project in fall 2008 and is proud to announce the expansion of the project in 2009. Bike racks will be installed on DDOT buses, improving commuters travel options.

To use the bike racks, passengers must be 15 years of age or accompanied by an adult. Children under 12 are not allowed to use bike racks.

- No additional fare is required for passengers using the bike racks.
- Passengers are responsible for the loading and unloading of their bikes. DDOT regulations prohibit drivers from providing any assistance loading and unloading bicycles.
- Cyclists assume all responsibility for any damage and/or injury that occurs as a result of their bicycles being on DDOT property.
- DDOT will not be responsible for stolen or damaged bicycles; this includes bicycles that are left at transit centers or on bike racks.
- Bike racks accommodate bicycles with wheels 16" or larger. Bicycles that do not fit securely on the bike rack will not be allowed on the bike rack.
- Bike racks hold two (2) bicycles securely. Some racks will accommodate three (3) bicycles.
- Space on the bike rack is available on a first-come, first-served basis. If a bus arrives and the bike rack is full, please wait for the next bus.
